1. BIBLE STORY EXTENSION

WHAT YOU NEED: Bible

WHAT YOU DO:

- **Stand** facing each other in pairs, or take turns being leader.
- **Explain** that you will read Matthew 6:5-13 to them.
 - As you read, kids should create simple motions to go along with the verses.
 - Without speaking to their partner, they must stay in sync with each other's exact movements as if looking in a mirror.
- **Take a closer look** at the verses by asking kids to think about prayer in light of what they just heard.
 - What are some of things Jesus suggests we talk to God about? (Use the following list to direct discussion as needed.)
 - Give praise to God first.
 - Ask God to continue to change the world for the better.
 - Ask God for the things you need.
 - Ask for forgiveness for your sins. Admit when you've messed up or forgive who you need to forgive.
 - Ask for help to keep from doing wrong even when you want to.
 - What DOs and DON'Ts did you hear in what Jesus said?
 - What part of this prayer is the easiest for you to "mirror" or imitate? What's the hardest?
- **Challenge:** choose something from the Lord's Prayer that they need to work on in order to make their conversations with God mirror the way Jesus taught us to pray.

2. JUST KEEP PRAYING

WHAT YOU NEED: Colored beads; paper; timer or mobile device

WHAT YOU DO:

- Gather kids in front of you.
- Place a pile of colored beads in front of the group so kids can reach them.
- Place four different colored beads in a line on the floor or table.
- Encourage kids to focus on the beads for 15 seconds.
- Then cover the beads with a piece of paper.
- Challenge kids to recreate the pattern of beads.
- Uncover the beads and see who got the order correct.
- Play several rounds, increasing the level of difficulty.

WHAT YOU SAY:

"You did a great job staying focused, especially when it was difficult! Sometimes praying isn't easy. There are times it feels awkward and you don't know what to say to God. Did you notice when you had a really difficult pattern you were recreating, it was hard to remember the order of the beads at first? However, the more you focused on the pattern and the more you practiced, the easier it got until eventually you could remember the pattern. It is like that with prayer, too. The more you do it, the easier it will be. God really wants to hear from you, and He doesn't care how you sound. What God cares about is YOU! And God wants you to know **you can PRAY anytime, anywhere about anything.**"

Optional Discussion Questions for Older Kids

- What do you know about God that makes you want to talk to Him?
- Why is prayer important?
- When do you find it easy to pray? Or when do you usually pray, if you do it regularly?
- When do you find it difficult to pray? What can you do when that happens?
- What do you think is the point of prayer?

PRAYER

WHAT YOU NEED: Focus Notebooks (with 3D glasses) OR index cards; markers; Bibles

WHAT YOU DO:

- Ask kids to turn to page 15 in their Focus Notebooks.
- Give an example of a prayer using each of the prayer prompts. For example:
 - God, You are . . . (a truth about God to praise Him, such as: amazing, truthful, kind).
 - God, help me . . . (something you may need help with, such as: studying for a test, etc.).
 - God, forgive me . . . (a time you disobeyed God, such as: for being mean to my friend, for lying about a grade, for ignoring the new kid at school).
 - God, today I need . . . (something you may need, such as: patience, kindness, etc.).
 - God, thank You . . . (something you are thankful for, such as: parents, friends, pizza).
 - God, please help . . . (someone who may need help, e.g. a sick relative, a friend, etc.).
- Encourage kids to write a one or two sentence prayer on page 15 using one of the "Prayer Prompts."
- If you have younger kids, instead of writing a prayer, give them markers and invite them to draw a picture of themselves praying.

WHAT YOU SAY:

"You can PRAY anytime, anywhere about anything." There may be times when it is hard to pray. There will be times you just don't know what words to say. Fortunately, Jesus gave us words for the times when we struggle to talk to God and we just don't know what to say. Spend some time memorizing the Lord's Prayer, and you will always have something to say to God. Let's pray.
