

Specific steps on how to repent:

1. Personal Values inventory

What I value:	Priority Score:	Time Allotment:	Money expensed:

1. Brainstorm a list of things you believe you value.
2. Now assign a number to each thing based on priority. 1 highest.
3. Now give a time and money score for each thing on the list.
4. Compare the priority score with the time and money allotment scores. What does this tell you?

2. Jesus Values Inventory

What Does Jesus value:	Priority Score:	Time Allotment:	Money expensed:

1. Fill out the first column titled: What does Jesus value, based on what the New Testament reveals. *Hints:* John 3:16-17, Matthew 20:28, John 10:10, Luke 15:1-7, Matthew 28:19-20, Acts 1:8, Acts 2:38-47.
2. Give them a priority score based on what Jesus taught.
3. Evaluate how much time or resources you give towards these values.

Next step:

Compare the personal values inventory with the Jesus values inventory in your life. How can you practice repentance (Meaning turn towards) one or two of the values on the Jesus values inventory.

Plan on taking small, intentional steps in the direction of Jesus values. Pray that Jesus refreshes your soul as you turn towards Him and what He is doing in this world.
