The Message: JOURNALING / HEARING GOD

Pastor Trent Renner

Are you consistently open to hearing from God in your daily life and details? How many times a day do you run to a trusted person and ask them to help you answer some problem in your life?

Today I hope we will take a step closer to Jesus and encounter His voice so you can have clear direction in life regarding what to receive from Him and what to do for Him.

“Search me, O God, and know my heart; test me and know my anxious thoughts. Point out anything in me that offends you, and lead me along the path of everlasting life.” Psalm 139:23-24 (NLT)

We follow a living God that declares His word as also living -- “Living and Active”

“For the Word of God is alive and powerful. It is sharper than the sharpest two-edged sword, cutting between soul and spirit, between joint and marrow. It exposes our innermost thoughts and desires.” Hebrews 4:12 (NLT)

God is active in your detailed life. As a follower of Jesus, perhaps the most important skill you could develop is the ability to clearly hear the voice of God. The Lord speaks in many ways, and I want to teach one that will help you start “hearing” the voice of God, and then you can expand the ways from there.

Do you believe God would speak to...

- Leaders of your church?
- You personally about your life details?
- You about your family strategy?
- You about work frustration? Family problem?
- What attitude to have when things don't go your way?
- How to view the way the world is going right now?

God wants to personally dialogue with you! That will never change about Him.

So...if you have never heard from or spoken with Jesus, then consider the why.

- You were never taught how?
- If taught how, you can't “hear” Him amid the NOISE?

The noise in your head is the greatest voice-muffler of God's voice.

The greatest “GONG” in your head is FALSE BELIEFS.

The only way to conquer your FALSE BELIEFS is to REPLACE THEM with TRUTH. Be transformed by the renewing of your mind:

“Let God transform you into a new person by changing the way you think.” Romans 12:2b

Today I would like to demonstrate a simple way to begin listening and hearing from God that will initiate SPIRITUAL MATURITY.

- Maturity is not about what we can DO FOR God, but rather what we can RECIEVE FROM God

To learn how to hear the voice of God, begin by using PENCIL and PAPER!

- Bible
- Pen/Paper
- SILENCE of sound and mind
- Discipline to repeat regularly

Check your reading plan

- Read the passages with an open heart
- Underline anything that ‘pops’ at you

Journal

- S - Write the scripture that popped
- O - Write simple factual observations
- A - Write how you will be different today because of... (application)
- P - Write out your prayer

Write in table of contents

S. (Scripture)

O. (Observation)

A. (Application)

P. (Prayer)
